

Application for Admission to an Academic or Examination Achievement in the Additional Module

Name: First Name:
 Matriculation No. Study Program:
 KIT-Mail-Address:@student.kit.edu

I hereby apply for the approval of the following academic or examination achievement in the additional module of my study program.

Signature Date

Number and Title of the Brick	ECTS	Examiner	Institute	Department

Important Notes:

You can send the completed form to: campus@mach.kit.edu
 Only emails from official KIT student email addresses will be processed.
 The academic achievement will be permanently entered into your study plan by the Examination Office and cannot be removed by students.
 The achievement will be recorded in the additional module as defined by the examiner (with or without a grade).
 Academic achievements can be written, oral, or practical and are usually completed alongside courses.
 Bricks in the additional module cannot be transferred to other modules.

1. For Internal Use Only – Entry by Examination Office MACH/MEI, Department of Mechanical Engineering
