

Extracurricular Major Field in B.Sc. Mechanical Engineering International (MEI) - SPO 2024

Name: First name

Matriculation No.:

KIT-Mail-Address:@student.kit.edu

I request the authorization to include the following extracurricular course choice in the major field.

Module No. of Major Field:

Name of Major Field:

Name of Module Executive:

Brick-Nr.	Title	cat.	credits	already examined?
Sum of all credits in Major Field (min.12):				

Signature student

Date.....

.....
 Signature + stamp module executive (new module)

.....
 Signature Prof. Dr.-Ing. Thomas Böhlke

You may send the signed form to campus@mach.kit.edu to enter the bricks in the virtual record. Only E-Mails from examiners or from the student's KIT-Email-address will be considered. The Prüfungssekretariat enters the bricks directly into the student's virtual record. Please register for exams directly via CAS Campus. Bricks in the extracurricular major field cannot be exchanged by the student. All changes in the extracurricular Major Field require a new formal application using this form and the stamp + signature from the module executive.
 Categories: P=Mandatory, K=Core, E=Election block, apl.=extracurricular, Prakt.=Lab course.
