

Form for verification of knowledge from the first degree course for the Master's degree in Mechatronics and Information Technology

KIT Department of Electrical Engineering and Information Technology

Last name: _____ First name: _____

Birth date: _____ Nationality: _____

Qualifying first degree: _____

at the university: _____ Grade: _____

The standard period of study for my degree is _____ semester.

Explanation:

- **Course:** In the first column, courses of the Bachelor's program are entered, which contain minimum knowledge in the respective module
- **Credit points (ECTS and CP):** The corresponding CPs are entered in the second and third column (match the Transcript of Records!)
- **Page:** The page of the module handbook is entered in the last column

Topic "Basics of Electrical Engineering" (min. 8 ECTS)

Course	ECTS	CP	Page

Topic "Technical Mechanics" (min. 4 ECTS)

Course	ECTS	CP	Page

Topic "Higher Mathematics" (min. 21 ECTS)

Course	ECTS	CP	Page

Topic "Control Technology" (min. 6 ECTS)

Course	ECTS	CP	Page
